## About Cru

**Cru's Mission:** to trust God to use us to turn lost students and faculty into lifelong Christ-centered multiplying disciples. It is our vision that we would be a movement of students captivated by Christ, transformed by the gospel, and engaged with Christ's mission at Purdue and around the world for a lifetime.

**Adam and Lauren's Role:** We serve directly on campus sharing the gospel with students as well as helping students grow in their faith and mobilizing them to participate in the Great Commission. In everything we do it is our hope to give away the ministry, teaching students to do everything we do including sharing the gospel, helping their friends grow with Jesus and taking the gospel everywhere the go.

**How you can pray for Cru:** Through a variety of circumstances, Cru staff at Purdue is very limited in capacity this year. Please pray Matthew 9:37-38 for the Lord to raise up workers from the student body who would be empowered and excited to reach Purdue's campus with the gospel.

Pray for rest for the Sopocis and the other Cru staff in the midst of many family and ministry responsibilities.

Pray for God to be glorified through the many conversations, meetings, and prayers of Cru staff and students this year.
